## Season Wrap Up

The FAYFL executive board members will be meeting in January to plan for next year's tackle season. League policies, procedures, and budget will be discussed. Many changes will be implemented next year to ensure the success of the league for players, coaches and parents. Stay tuned for more details, which will be available late January/early February. In the meantime, check out the FAYFL website.

## Upcoming News

### **2009 Flag Season**

Indoor flag season starts February 2nd. Please contact Jerry McQuoid if you're interested in playing the indoor flag season and outdoor spring tournaments.

### **2009 Clinics**

FAYFL will be holding indoor and outdoor clinics throughout the off-season. For more information on FAYFL clinics please visit <http://www.fayfl.com>.
